

STAGE 2 RESTART

K – 12 EDUCATION OPTIONS

Parent Information Sheet

September 2020

K-12 Schools are in				
Remote learning for all	Remote learning with exceptions	In-class & remote learning	Learning groups: full-time in-class	Learning as usual: full-time in-class
Stage 5	Stage 4	Stage 3	Stage 2	Stage 1

The BC Ministry of Education priority in Stage 2 is to have all students participate fully in in-class learning. The [BC Education Restart Plan](#), states that “having students in the classroom helps to minimize learning gaps, and provide the academic, social and emotional supports essential for learning”.

The Chilliwack School District Stage 2 Restart Plan prioritizes **Full-time in-class instruction for students in Kindergarten through to Grade 12**: This option has students safely returning to full-time in-class instruction with set cohorts/learning groups, physical distancing and mask protocols as outlined by the Provincial Health Officer and the BC Centre for Disease Control. Please see your school website for specific details.

The Chilliwack School District will also provide the following options for some students:

LEARN FROM HOME: TRANSITION SUPPORT

Elementary & Middle

Duration: Temporary support for students who are not attending their catchment school in person (COVID related reasons). This support is conducted by means of distributed learning.

Supports:

- A teacher will support in key learning areas: language arts, math and core competencies which are central to the curriculum and are foundational to all learning.
- Student remains connected to their school and classroom
- Students will learn remotely at home with the assistance of a teacher assigned by the district (not their regular classroom teacher).
- The Homebound Online Teacher will connect with students periodically throughout the week.

Access: Please contact your school principal to discuss this option.

Secondary

Duration: Temporary support for students who are not attending their catchment school (COVID related reasons). This support is conducted by means of distributed learning.

Supports:

- A teacher will support at home learning in one course for Octet 1 ([Personal Development 10/11/12](#)). Other courses will be considered through the year based on need.
- Student remains connected to their school and classroom
- Students will learn remotely at home with the assistance of a district-based teacher. Plans beyond Octet 1 are still in development and will be limited in course choice.
- The Transition Support Teacher will connect with students periodically throughout the week.

Access: Please contact your school principal to discuss this option.

NOTE: Students enrolled in a remote learning option will have the option of returning to In-Class Learning. (Secondary: at the beginning of each Octet.)

HYBRID PROGRAM (Elementary and Middle)

– Distributed Learning

Duration: Full-time continuing blended learning program with 2 days face-to-face and 3 days online. This is not a COVID response program, but an ongoing program of choice.

Supports: Teacher and Home facilitator

Access: Registration process on district website

MEDICAL (Hospital) HOMEBOUND

Duration: Short to mid term support for students with medical condition (Non-COVID related)

Supports: Student Services staff and the classroom teacher

Access: In consultation with the school. Medical note required.

FIRST NATIONS ON-RESERVE SUPPORT (K-12)

– Aboriginal Education Department

Duration: Temporary support for students who are not attending their catchment schools (COVID related reasons)

Supports: Teacher outreach support in key learning areas - student remains connected to the catchment school and SD33 Aboriginal Department

Access: Please contact your school principal or SD33 Aboriginal Department to discuss this option.

Note: Students enrolled in the Outreach/Remote Learning option will have the option of returning to In-Class Learning. (Secondary: at the beginning of each Octet.)

ADDITIONAL OPTIONS
