– *KEY NOTES – Kara attended the last meeting*

- Jesse Neal gave a workshop prior to the meeting. Teaching those that came how to do fine beadwork and make orange shirt beaded pins.
- Aleena Webber joined us from Big Brothers Big Sisters Fraser Valley. She educated attendees on the programs they offer including the In-School Mentoring Program (ISP). For one hour a week, mentors meet with their mentee and engage in activities such as board games, crafts or just hang out in the playground. This program matches senior students as mentors with primary students within the district. This program, as well as the adult-based Community Programs they offer, are looking for volunteers, Grade 10 and up. These programs are vital to students and community members and have long waitlists. More Information can be found on their website @ [Volunteer - Big Brothers Big Sisters of the Fraser Valley](#). There were a few people at the meeting that had both been mentors and mentees and had nothing but positive things to say about the program. Many continue to be in touch with their Big Brother/Sister or Little Brother/Sister. Currently there is a 1 year wait for littles.
- DPAC has worked over the summer to create a website. The address is <https://www.chilliwackdpac.ca/>
- They have been contacted by many vendors, via email, asking for PAC contacts to promote their fundraising. DPAC is asking if we want to add our email address onto the DPAC website to help filter these requests. This would look like more vendor e-mails coming into our account. Is this something we want?
 - o Tyson P.A.C has agreed that we would like to add our email address.
- DPAC has a Facebook Profile Page and Instagram Account. You can search Chilliwack DPAC for those and find them
- DPAC hosted PAC 101 last week and provided lots of info. The recording is password protected on the website. If you are interested in the recording, please reach out to us and we can forward that information along.
- The Enhanced ASSAI Fund is confirmed to be a continuing budgeted line item. This fund supports the ability to fund an EA to support a student in after-school extracurricular activities. It is very limited and comes through your principal so apply early.

- Tyson PAC signed an Anti-Bullying and Anti-Racism Letter that was sent to the superintendent. The Superintendents response is in the DPAC minutes, if you would like to read it, let us know.
- Tyson PAC also signed an EA support letter that was sent to the superintendent. The Superintendents response is in the DPAC minutes, if you would like to read it, let us know.
