applied for the BC Gaming grant and expect this amount in the fall 2026

we raised close to \$4000 and feel confident we can budget \$3000 for 26/27
we raised just over \$6000 so far and feel confident we can budget that for 26/27

this has been reduced since we will be getting close to \$300 less
\$650 each for waterslides 2026 and Spring Activity Day 2027
reduced

based on \$100/class = \$1300 since \$5 per student @ 246=\$1230, we will revisit this in the fall
\$5x35 kindergarten and \$12x57 Grade 5

working toward outdoor seating/classroom. Possibly new team jerseys

*distribution TBD once Gaming funds
deposited in 2026/27

****REP ALTERNATE POSITION IS OPEN**

DPAC

Elections:

Chair: Deirdre O'Connor

Vice-Chair: Karine Lemay

Treasurer: Jessica Clarke

Secretary: Lindsey Davidson

Indigenous Liaison: VACANT

BCCPAC Rep: Matt Brown

Member at Large 1: James Cannon

Member at Large 2: Kate Healey

Member at Large 3: VACANT

Please take a moment to fill in this [quick form](#) asking for feedback regarding potential advocacy and engagement priorities for DPAC's Plan of Action for the upcoming school year. ****Closes July 1st****

Members present discussed several potential issues to consider, including:

- Student cell phone use and its impact on learning, engagement, and school culture.
- School trustee elections and opportunities to support parent awareness and informed participation.
- Traffic and transportation concerns affecting student safety around schools.
- Artificial Intelligence (AI) education, including opportunities and challenges for students, families, and educators
- Resources and supports for students, including continued advocacy related to Educational Assistant (EA) staffing and support commitments.
- Availability and accessibility of hygiene products within schools.
- Supporting students, families, and school communities through the implementation of Enrolment and Facilities Review decisions.
- Advocacy for increased access to school-based mental health supports, including fulltime counsellors. Discussion noted that Child and Youth Care Workers (CYCW) and other support staff are often required to respond to a wide range of urgent needs, which can limit their capacity for preventative and ongoing student support. Potential partnerships with community non-profit organizations were also identified as an area for exploration

DPAC has hired Carrielynn Victor as the artist for the new DPAC log. The goal will be to have a new design near the start of the new school year.

Updates were provided on Project Rose, a new joint partnership with UBC, SD33, Chwk Community Services and others, with the goal of the partnership being to work directly with community partners and [substance-affected] families to develop research that will design or strengthen programs, policies or resources that reduce chronic school absenteeism in ways that match the real-life circumstances of families in Chilliwack. The first in-person meeting on the subject will be on June 4th at 9:30 am, and an invitation was extended to all DPAC reps. DPAC exec will be in attendance. If you feel you could be of assistance to this program, please contact us.

Trustee Willow Reichelt provided an [update on the Enrolment and Facilities Review](#), noting that while the final outcome may not satisfy everyone, significant effort was made to consider and balance the feedback received from stakeholders throughout the process. Upcoming transitions will also be heavily weighed and considered by staff.

Food security resources can be found [here](#).

- Bowls of Hope was one of only 6 organizations in the province to be awarded a \$1 Million investment through United Way's BC Large Food Infrastructure Grant, in partnership with the Ministry of Social Development & Poverty Reduction, to support food security initiatives in Chilliwack. This allocation will directly go towards improving food storage, processing, and distribution to streamline services for our students and community. We are very appreciative!

Read the press release here. The Annual 'Epic Day of Gardening' was held in partnership with the Rotary Club on May 16th with great success. Annual 'Epic Day of Gardening' was held in partnership with the Rotary Club on May 16th with great success. Last year, this ~~initiative contributed initiative~~ over 10,000lbs of fresh produce into the school food programs for our local students, and this year they hope to double it!

- The [Starfish Backpack Program](#) is running through the summer, thanks to a generous \$21,000 donation from the Dogwood Monarch Lions that Bowls of Hope received on April 30th.
